

# Residential Coax Application Guide

### Data T<sup>®</sup>-Cutter (45-074)

- Maintains cable geometry for better cable performance
- Cuts multi-pair cable up to .500 in. (12.7mm) and coaxial cable up to RG-9/U
- Suitable for soft cables

### OmniSeal<sup>™</sup> Compression Tool (30-603)

- One squeeze applies connector right 1st time
- Easy on the hands
- Extremely durable
- Works with most major compression connector brands

### Coax Stripmaster<sup>®</sup> Wire Strippers (45-262)

- Fastest 2 step stripper
- Easy to use: Large hole for outer jacket, smaller hole for center conductor
- Easy on hands due to spring action operation

### OmniSeal<sup>™</sup> Compression XL Tools (30-703, 30-720)

- Works with F, RCA, and BNC compression connectors (RG6 or RG59)
- OmniSeal 11 also available – works on RG11, 6, & 59 – F and RCA compression connectors

### 2.3GHz Satellite/Digital TV Splitter (85-332, 85-333, 85-334)

- Splits signal up to 2.3 GHz required for good satellite TV performance
- Has power pass capability required for satellite TV installations
- Corrosion resistant – can use outside or inside
- Splitters also available for Digital and Analog TV (85-132, 85-133, 85-134)
- CATV Cable Splitter (85-032, 85-033, 85-034)

### Universal Coax Compression Connectors

- One connector for all cable types within a given RG series

STRIP

### F/BNC Connector Tool (35-046)

- New and improved
- One tool works on F & BNC crimp and compression connectors
- Eliminates finger/hand fatigue attaching and detaching connectors to equipment

### LinkMaster™ PRO XL (33-880)

- Tests for wiremap, miswires, opens, shorts, reversals, and split pairs
- Blinks the hub
- Tests up to 8 jacks/locations with 8 different remotes
- Measures length
- Easy to read backlit LCD screen

### VDV MultiMedia Cable Tester (33-856)

- One tester for video (F-Connector), data (RJ45) and voice (RJ11, 12) applications
- Tests for wiremap, miswires, opens, shorts, reversals, and split pairs
- Sells for approximately \$100

### Economy Compression Kit (33-620)

- Great for starting out with compression technology
- Everything you need to terminate a coax compression connector
  - Data T-Cutter (45-074)
  - 2 Step stripper (45-526)
  - Economy crimp tool (30-633)
  - 10 RG59 compression connectors (89-054)
  - 10 RG6 Quad Shield compression connectors (89-056)
  - 20 RG6 compression connectors (89-055)

### Compression Coax F-Connectors

RG-6 Connector (89-055)

RG-6 Quad Shield Connector (89-056)

RG-59 Connector (89-054)
